SENN HIGH SCHOOL

FOREWORD

∞ In offering the 1941 Forum the Staff has endeavored to portray the results of education founded on three main objectives: loyalty to our country, fine enthusiasm, and respect for humanity.

Through our daily life at Senn we are infused with a spirit of loyalty which creates in us undivided fidelity to our school and to our country; with the spirit of enthusiasm, a spirit of rejoicing and of music, of faith in action, of harmony, of order, and of proportion; with regard for human relationships, whereby we learn to live together in amity, regardless of political belief, of creed, of race.

DAVID M. DAVIDSON

Principal of Senn High School

DEDICATION

∞ The primary step of the entering Freshman is probably the most difficult one in his entire high school career. It is only by acquiring the Senn spirit that he is able to overcome his discomfort in a new environment and to take his place in the life of the school.

Through her sympathy, loyalty, industry, amiability, and inspiring personality, she has contributed to the development of all students into real Sennites.

The 1941 Forum Staff is honored to dedicate this book to Miss May Cavanagh.

SENIOR CLASS, JANUARY, 1941

As time rolls on and graduates pour forth from our alma mater, again we look upon the liveliest graduating class in many years. Spirit, enthusiasm, zest, and social fervor, were the key-notes of our fellow-students. Out of this class of 298, 36 ranked for the national honor society, and we might add, most of them were girls.

Days and days fled by as the officers prepared entertainment programs for the students, arranged for the prom, luncheon, and graduation.

The class promenade was held at the beautiful and spacious Boulevard room of the Stevens Hotel. A grand treat was in store for all who attended that unforgettable night of January 28, 1941. The luncheon proved to be a huge success at the Marine dining-room in the Edgewater Beach Hotel, with Ray Ponds and his orchestra, and lastly, graduation, January 30, 1941.

Talent from every corner of the school provided excellent entertainment throughout the semester. Dr. Samuel Burkholder and his chorus gave us all a pleasant surprise when the Mikado was featured during the fall. Sports achievements were the high-lights for many months.

So again we shall look back on our high school days, happy memories will we beckon at every turn we make, whether our fall be upward or downward during life's busy course, Senn High will always linger on.

SENIOR CLASS JUNE, 1941

As the largest graduation class in Senn's history, the Class of June, 1941, took its place as the greatly admired graduates-to-be, everyone was looking forward toward his last and greatest semester.

Excitement started when Jack Krisor, Dick Cashmore, Nancy Myer, Jean Plambeck, Don Doerscher, Gretchen Kaeser, Kitty Ann Webster, and Merrie Wilkerson were elected 4A leaders out of a score of contestants. These newly elected officers met early with Mr. Davidson and Dr. Zimmerman, the new Senior Adviser, to plan a long series of Senior events.

Graduation pictures were snapped for the Annual; rings, pins and lavaliers went on sale; orders were taken for the modern class announcements, first of their kind to have the new Senn crest; scholarship exams were taken by the more industrious members of the class; personal interviews were given to every member of the 4A class by Mr. Satterfield, who was recently appointed placement adviser; the Players gave a first class performance in their take-off of the Senn faculty in *What A Life*; the averages and rank of all graduates were computed.

All these events were taking place but the 4A's were looking forward to that last week. It came more quickly than was expected and brought with it the unforgettable Senior Prom held in the Boulevard Room of the Stevens Hotel. The day of Graduation rehearsals and then the Senior Luncheon, which was held in the Marine Dining Room of the Edgewater Beach Hotel, arrived.

Finally, when attention was drawn toward the large class, it was decided to hold the graduation exercises at Orchestra Hall, instead of Senn Hall as has been customary; thus, it enabled parents, relatives, and close friends to witness the final gathering on that never-to-be-forgotten night of graduation.

ALL SCHOOL COUNCIL—FALL

With a burst of energy the Fall All School Council, consisting of the class officers rallied by an additional nine members, was off!! The 4A office of All School Council has been abandoned. Six committee chairmen elected by the students, instead of being selected as had previously been done, and three new elective offices, Marshal Court Judges, brought the total membership up to twenty-nine this semester.

The first undertaking of this group was to support the PTA drive to raise money for the Senn Student Service. The girls helped sell the green and white tags.

The campaign for the Thanksgiving Collection began rolling with peppy assemblies to arouse student interest. The trotting council members made a big hit and large proceeds with their first dance, the Turkey Trot. Another brainstorm of the members which hit the student body with approval was Mum Day. Woe to the one who wasn't sporting a flower on that day! The total proceeds from all of the contributions was \$1276.72, the largest amount ever collected in the history of Senn.

According to earlier tradition, Senn has for a long time distributed Christmas baskets to needy families of the community. This year breaking the tradition, the All School Council decided to establish a milk fund whereby ten needy families would be supplied with milk daily until the fund of about \$400 is exhausted. In order to raise money for the milk fund this group gave another super dance, the Holly Hop.

The semester ended with the feeling that the All School Council had really accomplished their undertakings. The members wish to express their sincere thanks to Principal Davidson, who acted as Council Adviser at all meetings, for his great help.

ALL SCHOOL COUNCIL—SPRING

Twenty-seven class officers elected for the Spring term of the All School Council under the leadership of President Jack Krisor met with Mr. Davidson early in March to discuss the new marking system whereby absence is the only cause of failure.

Since the committee chairmen are now elected by the student body, there was no delay in organizing committees promptly in order that the many tasks would be carried out quickly and without commotion.

To the newly organized Marshal court three new judges were elected to carry out the work of disciplining students for such offenses as running in the hall, cutting classes, being tardy to class excessively.

Perhaps the chief work of the Spring All School Council was to keep in touch and further the big Clean-Up-Campaign. This committee certainly accomplished things with the help of teachers, classes, and school store proprietors. Pictures were taken of alley and dumping grounds where conditions were very bad. Additional pictures were taken later on showing these conditions greatly improved.

Members of the All School Council wish to extend their thanks to Mr. Davidson who has been a very helpful source of both information and advice throughout the semester.

1941 FORUM ANNUAL

Many were the problems confronting the Forum Staff as it returned in the fall. A new theme, original cover, and an entirely different book were the purposes and aims of the staff and each plan was carefully checked so as to present a book which would be entirely different to the student body.

The planning of the book, layouts and general supervision were managed by Editor-in-Chief Sophie Thoness who also handled the writeups. Donald Gary, Assistant Editor, assumed the grinding task and applied intense concentration to the graduate biographies. Hours were spent in verifying the names and activities of the graduates. Betty Borgeson did her work capably as Identification Editor as well as helping in other departments.

The tedious and rather sticky job of planning the last section of the book was ably carried out by William Neebe as Art Editor. He deserves laurels for the fine job he did under Mrs. Dooley's competent supervision.

THE ENTERING FRESHMAN HAS THE

Our outstanding sales campaign was supervised by Arthur Markwalter, Business Manager, and Juanita Penn, Assistant Business Manager. Through their level business heads and clear thinking, many financial difficulties were ably overcome.

Daniel Sussman represented the Sports of Senn and with the help of Lester Goodman and Stan Schiller did a mighty fine job. How carefully the boys worked and checked on Senn's victories and losses in all activities is well appreciated by all of us!

Without the experienced and efficient typing of Shirley Ditkowsky, Doris Brailsford, and Dorothy Colby, the work of the entire staff would have been slowed down a great deal.

Although it was individual work in many cases, without the expert aid and experience of Miss Corcoran, little would have been accomplished in coordination. It was she who steered the ship on its true course and often got us out of storms and trouble.

The entire staff worked to bring to the students a book worthy to represent them in all their activities.

SENN NEWS

As the twenty-fourth year of the Senn News got under way the new staff felt that the six column paper of former years was outmoded. Therefore it adopted a brand new five column format set in eight point type. By making this change it enabled more printed matter to be carried on a smaller paper.

The staff of the fall semester which set out on this modern trend was headed by Co-Editors-In-Chief Helen Wenrich and Nancy Myer and Assistant Editor Dorothy Watters. With graduation, the spring semester brought changes in the staff. Nancy Myer became the new Editor-In-Chief, with Adele Pincus and Shirley Cywan Assistant Editors.

During the year a series of special editions followed one after another. First came the ever popular Pigskin edition, then the Shutterbug, the Schedule edition, Senior paper, No-Senn-Se. Surprise edition, and was it a surprise, and the Spring Sports paper.

Right in the middle of the spring semester all journalists, cubs and vets, took time out to go on a tour of the Tribune Tower and then took part in a school broadcast over WGN. Thus with new enlightenment they finished the semester with bang-up editions.

Thanks are extended to Miss Corcoran without whose ever present advice and assistance the Senn News in its high standard would never have existed.

HONOR SOCIETY

The Senn Honor Society through its influential and energetic work reached a high peak in membership this year. Although the requirements for admission to the group were raised, the increase was evident because of the greater interest in scholastic achievement.

The most impressive activity of the Honor Society each semester is the initiation of the members of the National Honor Society. Throughout his entire high school career it is the aim and ambition of each Honor Society member to be elected to this National Society. Only graduates are permitted to participate in this solemn and sacred ritual.

The assemblage is usually presented before the members of the Honor Society and the students of the Freshman class, in order to awaken an interest in the beauty and importance of attaining scholastic recognition as a member of the Honor Society.

As the curtains part, revealing a darkened stage, the observers are heard to sigh at the beauty of the setting. Miss Whitney, as Goddess of Honor stands in the rear of the stage holding the flaming torch exemplifying the burning light of knowledge. Robed in white, the initiates slowly approach from each side of the stage and light their candles at the torch.

Each student defines the purpose of the Society in a short sentence and then all join in the singing of *Integer Vitae*, the old Latin song. The Goddess of Honor, slowly raising her lighted torch, reveals the Shield of the National Honor Society on which are inscribed the letters S., L., C., S., specifying the high standards and conceptions of the organization, Scholarship, Leadership, Character, and Service.

With the encouragement and assistance of Principal David M. Davidson, the adviser, and the faculty, the Honor Society has developed into a well-organized group, participating fully in student activities and helping in student government.

MARSHALS

During the past year the marshals have once again done fine work in maintaining discipline in the schools corridors. Under the able guidance of their adviser, Mr. Crane, a new centralized system of filing has been introduced, which is proving to be very efficient. This year a court composed of three student judges, two from the Senior class and one from the Junior class, has been established to pass judgment on the serious offenders in a more democratic manner.

Many of the graduating officers have been with the marshals for eight semesters and have done excellent work in organization. From private marshals they have been advanced to the highest positions on their merit and leadership ability.

For the fall semester 1940-41, Colonel Marshall Sevin, Lt. Colonel Sam Walker, Major Executive James Johnson, headed the organization.

Five Majors carried over as leaders for the Spring semester of 1941, Boeffard, Blodgett, Cain, Golinkin and Wass.

PLAYERS

Well, gee whiz, What a life! I didn't know it was going to turn out like that! I was just fooling around trying to see what it would feel like to be a principal, and it turned out to be Mr. Donaldson. And gee whiz, everybody said it was just like Mr. Davidson, and then he came in and caught me, and gee whiz.

Well, if that's on the level, I teach geometry. And Dr. Green turned into Dr. Brown, and the two were as much alike as two peas.

What A Life! Forty-one Players on the stage each of two nights playing to full houses: Henry Aldrich surpassing even Eddie Bracken in the eyes of his fellow students; two Henrys too! (Which did you see?) where both are perfect, which are you to choose! So it was with the entire cast! you couldn't say which was better.

We'll say, What a life! In eleven weeks, we did three one-act plays in Senn Hall (and one of them we did four times!) and then topped them with Goldsmith's What A Life.

That's some record, but it's only part of it. We finished our public career with another perfectly mad comedy, Everything Nice. You know Sugar and spice and—?

And since this is our diary or something, we might as well record the fact that we had a swell tea for our parents in February, and another in conjunction with the Workers on the stage for their parents and ours too, in June.

Besides which modest achievements we handled the Greek Relief Drive and took in two hundred and fifty-eight dollars, every cent of which went to school children in Greece.

And there's one more item. Remember that secret sign on the blackboard in 121? Well, Thespis rated about two hundred and fifty! Not bad, eh!

Gee whiz, what a life! We loved it.

WORKERS

~ A vital part of the Senn Dramatic's Department are the Workers. This is a class composed of students interested in stage craft under the able direction of Miss Doniat.

There are two divisions in Workers, "domos" and "neos". The first group is composed of those students having been in the class at least one semester and are called the "crew". The neos are those in their first semester of Workers.

This semester, the Workers have broken their record by producing not only their usual semester play but also many one act plays: The Turtle Dove, The Wedding, and Young America. The play chosen for this semester was What A Life. For such a simple setting the Workers certainly did a grand job. Credit and praise should be given to Richard Lence, the stage manager and Ellen Swanson, student assistant. Without them, the Workers would not have produced What a Life as successfully as they did.

Likewise, let us not forget the "neos" who made an exact model stage of the final setting on the Senn stage. We should also praise their stage managers, Cecil Rhodes, Tom Barnall, Bob Sterling.

And so, the next time you see a play on Senn stage, remember those behind the scenes, the Workers!

SENN R. O. T. C.

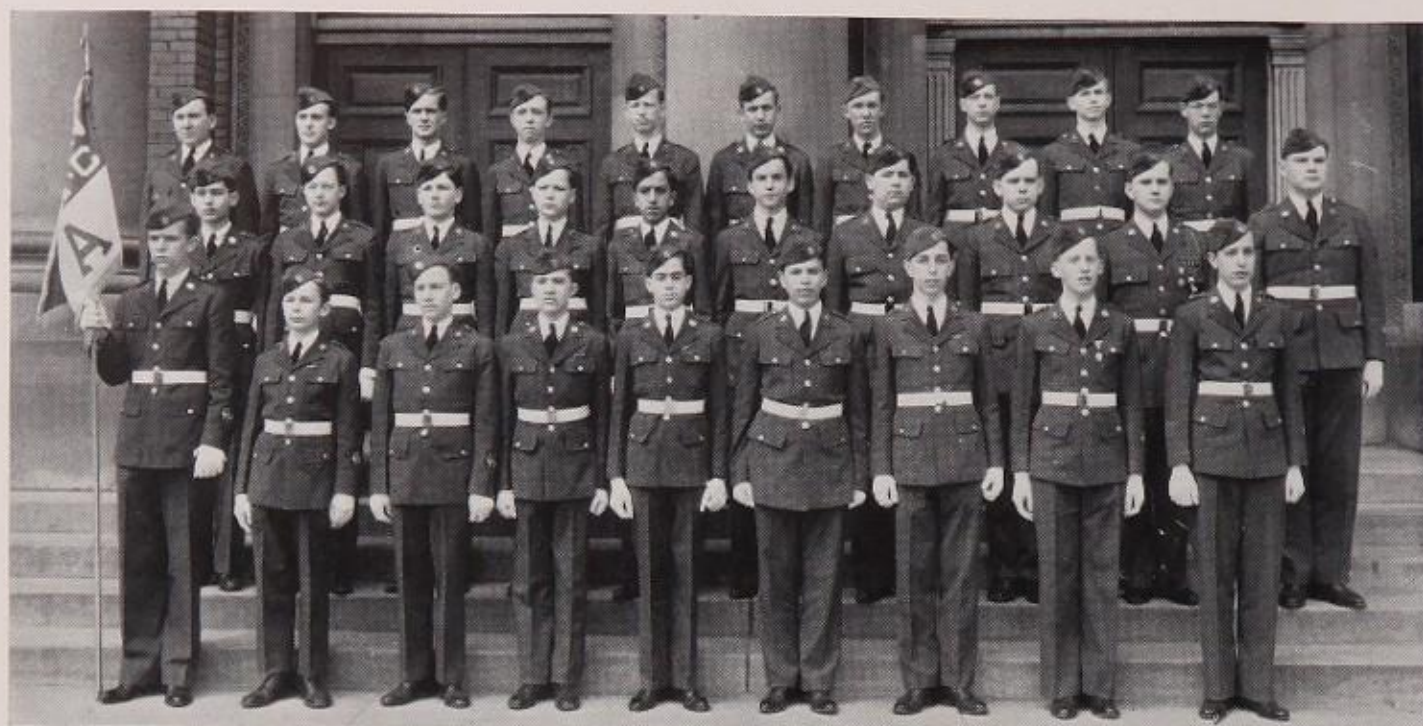

Inspired by a sixth place in the Federal Inspection, the Senn ROTC began the fall semester of 1940 with a will to win. Lieutenant-Colonel Karl Witte, commanding officer of the regiment, announced our objective as first place and every cadet did his best to achieve this.

Spurred on by the intense, ever watchful eyes of Staff Sergeant Albert J. Clouthier, Military Instructor, and his assistant, Sergeant Alfred Fulton, the unit has worked away the long winter months drilling on the fundamentals of map reading, first aid, scouting, marksmanship, and all those other things so necessary to a well trained, disciplined regiment.

Disproving that old proverb, "You can't mix business with pleasure," the cadets held many of their colorful dances, which make military life so attractive. The main social event of the year was the annual Military Ball, held in the Grand Ballroom of the Knickerbocker Hotel on December 19. The Dance Committee, made up of Chairman Captain Dinty Whiting, Assistant Chairman Captain Frank Rubenstein, Captain James Sheahan, Captain George Hitchcock, 1st Lieutenant Herbert Weith, and 2nd Lieutenant Charles Koehler, worked for several months to make the Ball one of the most successful in the history of the regiment. Second in the social spotlight, only to the Military Ball, was the spectacular Officers' Dinner Dance held in the Walnut Room of the Bismarck Hotel at which time the officers received their commissions.

As the short days of winter gradually lengthened and the sun began to shine more brightly and more often, cadets gradually changed their curricula from theory to

Under the direction of Staff Sergeant Cloutier, aided by his field officers, Majors Donald Sweeney, Frank Rubenstein and Ralph Karth, Colonel Whiting has been the mainspring in the great machine which is the Senn Regiment.

Representing the Regiment at the many outside affairs in the course of the year was the Senn ROTC Color Guard composed of Staff Sergeant Jack Deas, Sergeant

∞ The Girls' Military Corps consists of twelve girls from the band and eighteen girls from the Senn Twirling Corps. The two corps were combined a year ago.

The activities of the Girls Military Corps are to participate in football games, reviews, assemblies, class programs, and other activities. The corps also contributes to community projects.

At the City Contest in February, four twirlers won medals, Jean Young, Carol Reid, and Betty and Jean Gerken. The contest took place at Lane Technical High School.

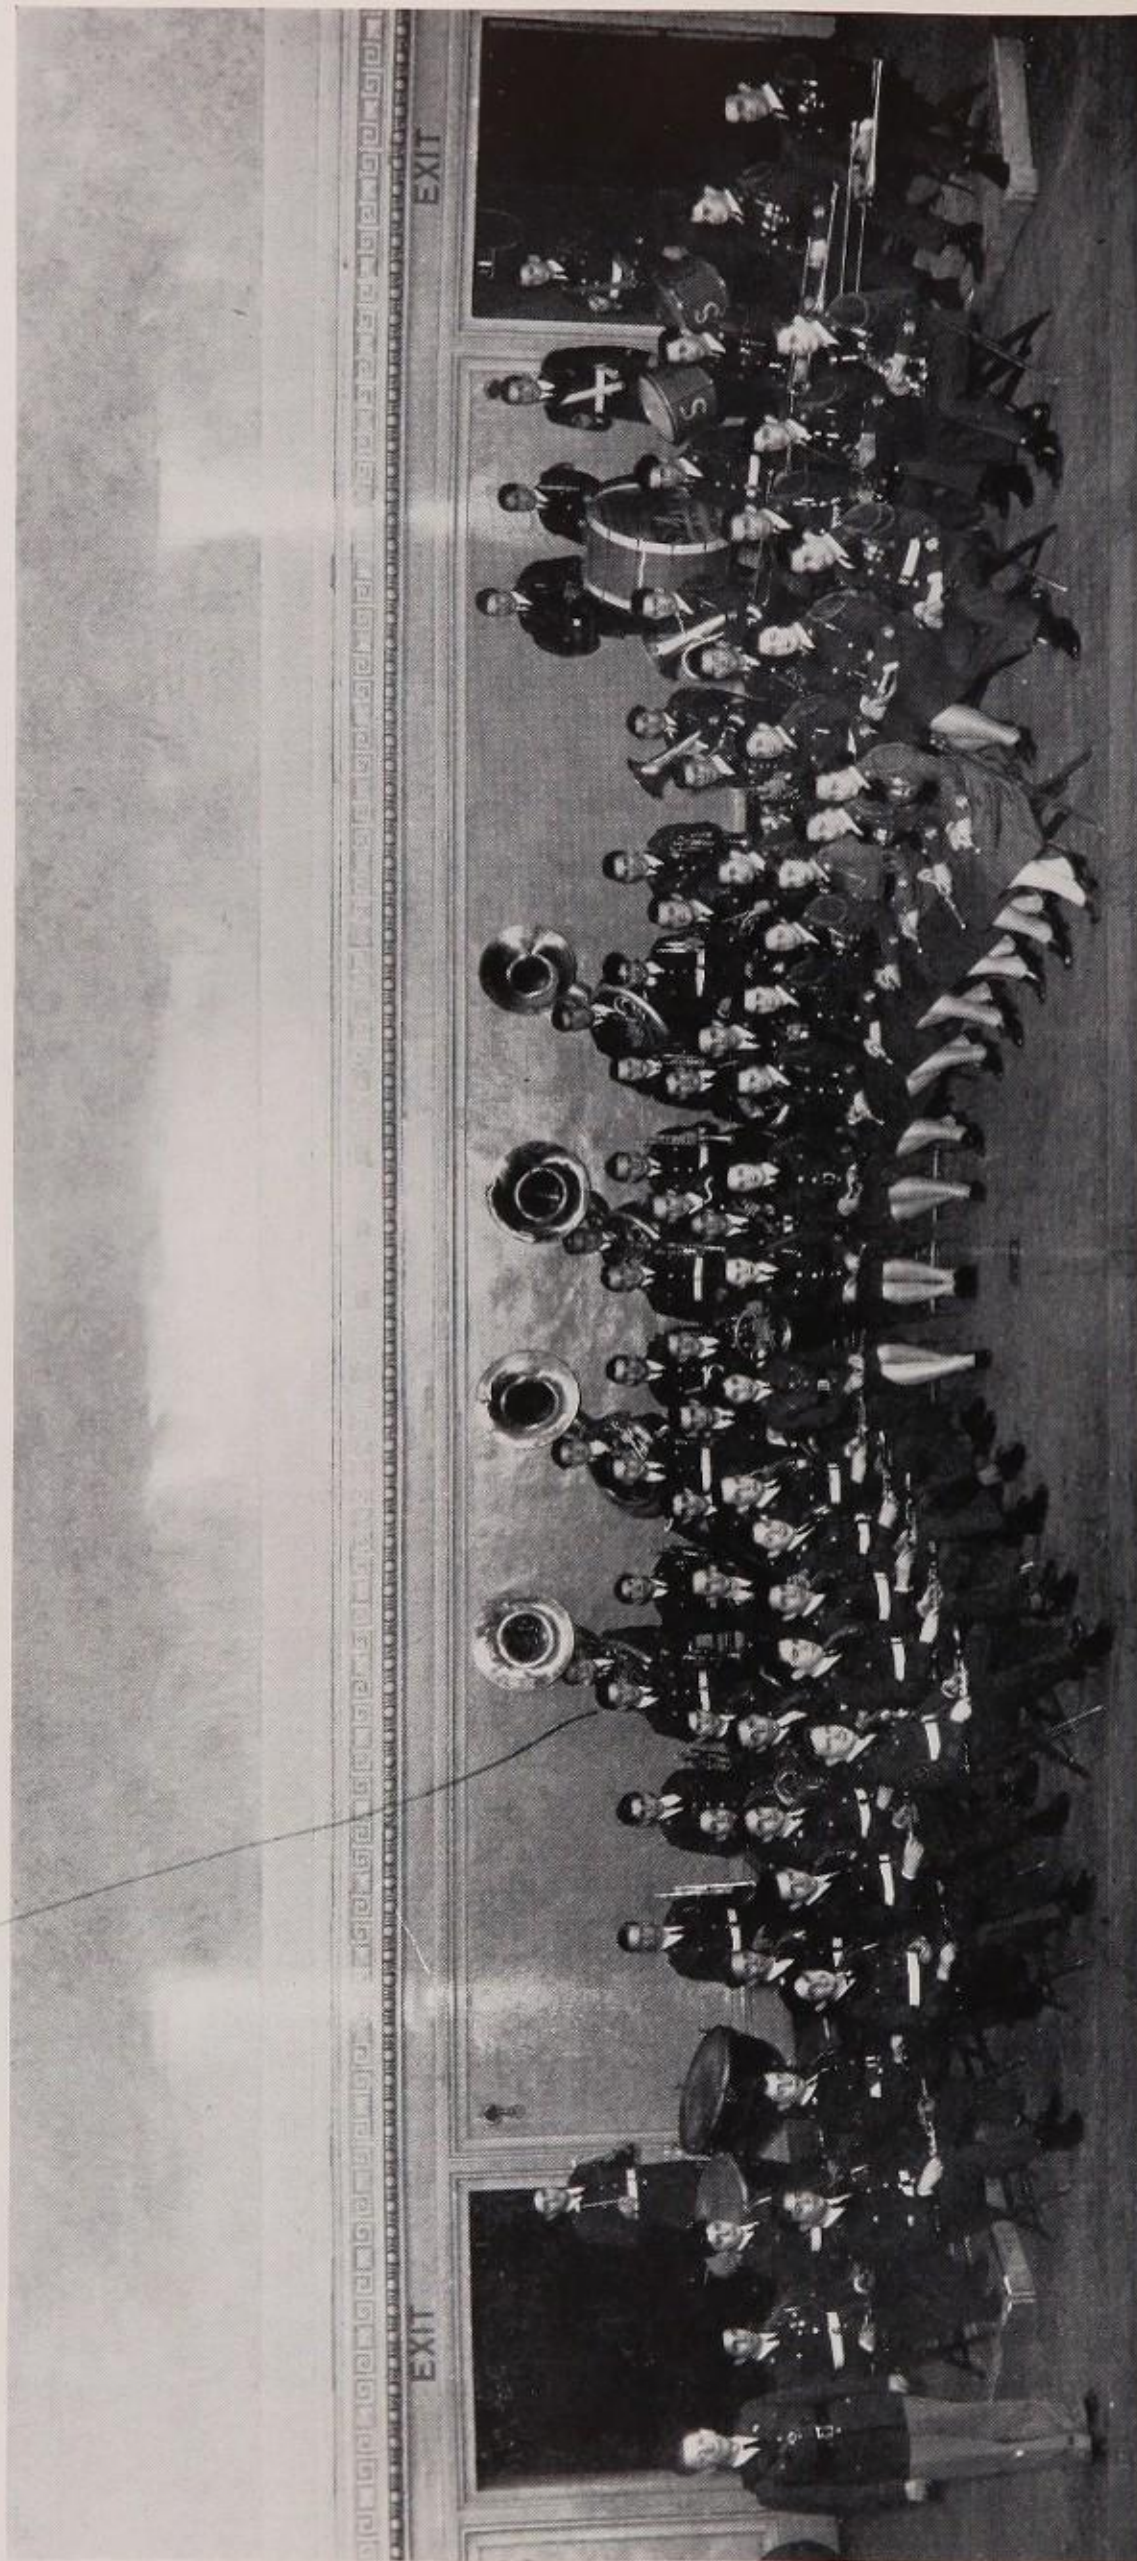

The officers are chosen and approved by, Captain Charles Ostergren, Bandmaster; the Military Instructor, Sergeant Cloutier; Assistant Military Instructor, Sergeant Alfred Fulton; and Colonel David M. Davidson.

The corps is under the sponsorship of Miss Greiner, the physical education teacher, under whose leadership it has developed into a well organized group.

CONTESTS SPONSORED BY THE ART DE-

SENN CONCERT BAND

~ The Senn Concert Band under the direction of Captain Charles Ostergren is one of the most indispensable organizations at Senn.

Organized in 1921 by Captain King, the Band has done much to build up school spirit and uphold the high morale of the school.

Their Fall and Spring concerts were very successful. A combined gymnastic, ROTC, fencing, and Band show was featured in the Spring concert.

This year the Band competed in the City Band Contest for class A bands and received an E rating. It is interesting to know that the Band has never received anything below an excellent rating in the City Band Contest.

The Concert Band had a great number of solo and group winners in the city-wide contest. Don Thompson on the saxophone, Bob Rosengarden and Jan Hatchikian on snare drum, Jean Gerken twirling, and the saxophone quartet composed of Don Thompson, Jack Olrikson, Dave Snapp, and Robert Jonas.

The officers for the fall semester were Major Harvey Samuels, Captain William Harding, First Lieutenant Homer Starks, Second Lieutenant Ray Dahlgren, and Second Lieutenant Leslie Siebert.

The officers for the spring semester were Major Ray Dahlgren, Captain Homer Starks, First Lieutenant Leslie Siebert, First Lieutenant Earl Anderson, Second Lieutenant George Lazarus, and Second Lieutenant Arthur Scatini.

The Band participated at football games, assemblies, and ROTC functions. Members of the band also participated in the Mikado and the North Side Clinic Band.

The Band department is divided into three groups. The Junior Band for beginners, the Military Band for those who are more advanced in the art of playing with a group, and finally the Concert Band, the advanced band.

The Senn Concert Band had an enrollment of ninety players. One of the most dominating factors keeping our band at the head and on top is the Band Parents Association.

SENN BATONEERS

SENN A CAPPELLA

~ Senn A Cappella this year consisted of ninety singers and had an impressive roster of engagements completed. During the last Summer School session, these singers rehearsed the Gilbert and Sullivan operetta, the Mikado. It was presented to full houses on two nights in October with fine collaboration from Miss Doniat, Miss Skillen, Capt. Ostergren, and Dr. Burkholder's conducting.

The Christmas Assemblies featured fine songs by the Choir which took a leading part in a Christmas broadcast at WGN. In January the Choir won second place in the Choral Contest at Lane and followed this by accepting an invitation to sing at the Art Institute under the auspices of the In and About Music Club.

Other concerts have included Parents Night, Sunday Evening Club at the North Shore Hotel at Evanston, four different churches on Sunday Evenings, The Citizens of Tomorrow Broadcast at WGN, and the May Spring Festival.

Among the leaders have been Eric Cedergren, Patricia Reid, Mary Willis, Marguerite Task, Ralph Spring, and June Rosenberg, Pianist for the group.

Among all their engagements the most important were the broadcasts, since they bring millions of people in contact with Senn activities. On the Mothers Day Program over WMAQ the choir sang Dr. Burkholder's ode To Mother, dedicated to his own mother. As in style with the regular musical broadcasts, records were made of all the Choir's appearances and they are kept on file for future aids.

During the Spring Festival, which featured the mixed Chorus of 190 voices in addition to the regular Choir, was introduced the song, Let All Together Praise Our God, by Don Malin, for the first time in any Chicago High School. Interesting to note was the direction of the musical piece by Mr. Malin. Also presented on this program was a group of Spirituals by Harriet Griffin, Senn graduate.

Chimes of Normandie by Planquette is the operetta planned for next fall, and many rehearsals for the production are to be held during the summer school session.

NEW MATERIAL FOR UNUSUAL PRODUC-

BOYS' CHORUS

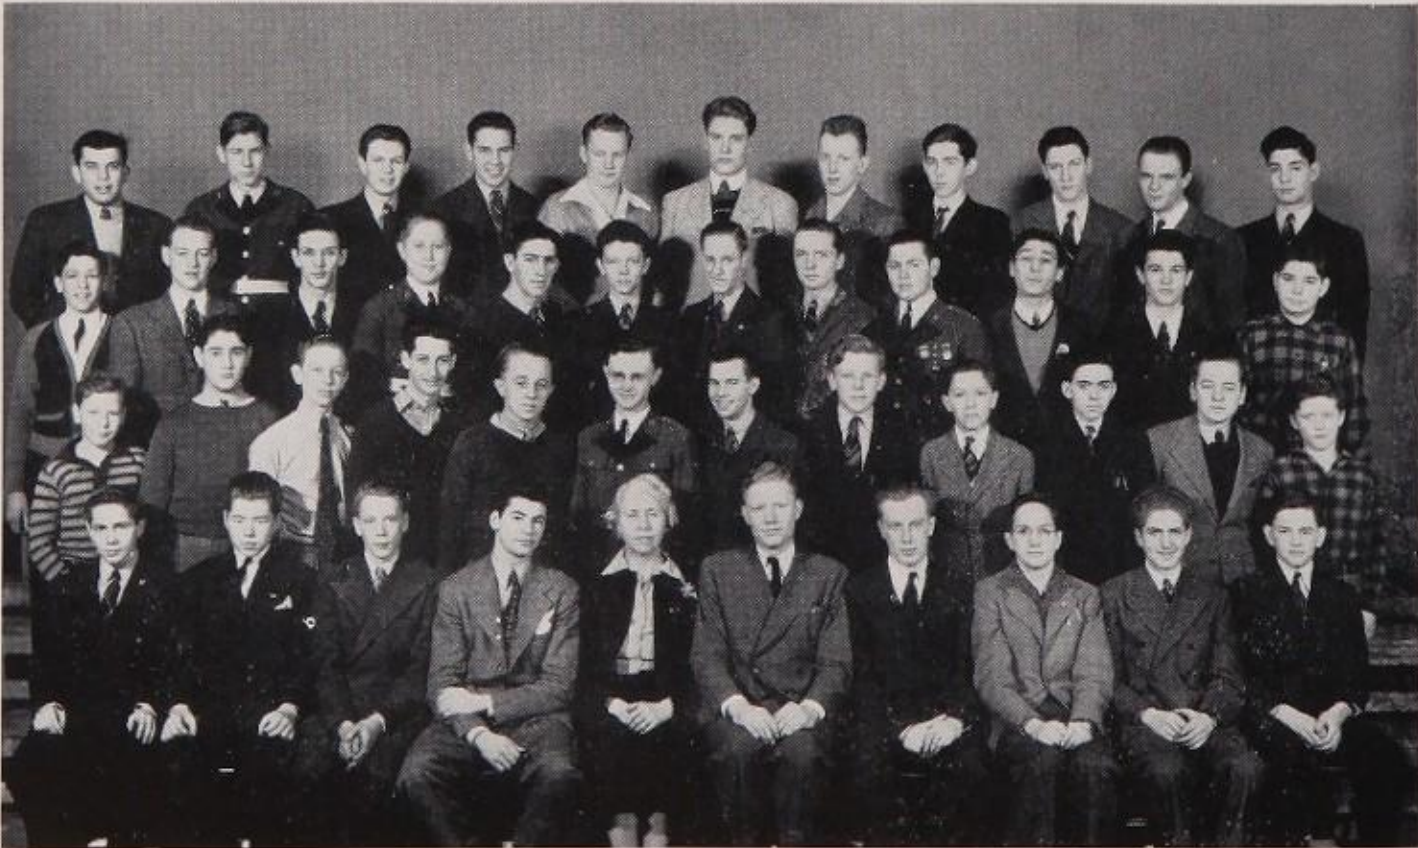

∞ The Boys' Chorus this year numbered fifty members plus a charming secretary, Miss Audrey Smith of 319 and accompanist Miss Maxine Ribstein of 350. Both were a great help to the chorus in its work. This semester the chorus sang Ho Jolly Jeulein by Sullivan of Gilbert and Sullivan fame.

Russell O'Shea of 207, the president was well liked by all the boys as well as being a very able singer. Ken Dennis, the tall, red headed, booming bass was vice-president. The treasurer, Jim Grossman, was the hardest working member of the chorus. Did you ever try to get dues from a group of boys? Well, he succeeded.

The boys tried to get \$100 together for robes for the chorus. They have sold five hundred slates which netted them \$15 for the chorus. Each boy paid \$.25 a semester which was used for an annual party. Any other donations were given to the robe fund.

The annual party during the Christmas vacation was a huge success with the welcome help of Mrs. Millar, the popular adviser.

GIRLS' CHORUS

~ The Girls' Chorus of forty selected voices has had Miss Cameron for their ambitious and hard working conductor during the last two years. During this time their concert programs of three-part songs have been varied in character to suit the different occasions for assemblies, Parent Teachers' Association Meetings, Christmas, Spring Festival, Faculty Meetings, and climaxed this year by their first appearance singing at the Choral Festival contest.

On the evening of January 14, 1941, these young singers sang their best at the Sixteenth Annual Competition Festival of Chicago Public High School choral groups of District One, held at Lane Technical High School auditorium. The experience of singing in competition with larger choral groups before judges from three different states was thrilling.

The Girls' Chorus members have made plans to give a musical tea program during June at Miss Cameron's home, where they will be given an opportunity to be hostesses to their teachers.

STUDENT BODY. AS THE AIM AND AMBITION

SENN ORCHESTRA

~ The orchestra was almost entirely new this year with a large influx of players from the grade schools. Confronted with the task of playing the Mikado in October, these players came through with flying colors. The Christmas and other assemblies showed their capabilities and revealed the orchestra as an organization always on the job. In January was organized The Orchestra Clinic at Lane High school and the Senn Orchestra led by Dr. Burkholder played before a large representation of conductors from all over the country.

Mr. Davidson has invited the orchestra to appear at many of the district grade schools this Spring including Swift, Peirce, Hayt, Daniel Boone, Stewart, and others. The object was to develop better relations and to encourage the musical groups in these schools. The Annual Contest and Spring Festival were highlights in May and June and the orchestra took a leading part in these activities.

Dr. Burkholder is to be commended on his fine leadership.

~ The theme for the year, "Preparedness," was exemplified by the PTA through a well planned and successful program. Each meeting dealt with some phase of preparation for future living, so that life and its problems might be met in a more understanding way by the students. A big feature for this year was College Day, in which the PTA cooperated.

As an objective in working out this program a donation was set aside for the purchase of books for Senn Library, to aid in the preparation for the future through books.

The official National Parent-Teacher Magazine has been brought back among Senn members.

Among the many outstanding records are, Senn PTA boasted an increased membership of 778, an ROTC award was presented by the PTA, two Student Aid tag days have been inaugurated, and \$150 has been given by the association for Student Aid. In addition to this, outside contributions, given through the PTA, have made possible a much larger scope of help for needy students in a variety of ways.

~ The Art Guild is an organization for furthering an interest in Art among the students of Senn who do and don't take art as a subject. The Guild has an Art Guild Tea every semester in which the members exhibit their works which have been created from original designs and ideas. The parents of students, members of the Faculty and alumni are invited to attend.

The Art Guild fosters as much as possible a deeper understanding of art in its members which cannot be developed solely in class work.

Chicago artists exhibitions and sketching trips comprise the curriculum of the semester. The members themselves have participated in city-wide exhibitions and have won numerous awards.

☞ The Pitman Club is an activity in which every person who intends to be a stenographer should participate. It offers many advantageous practice contests in typing and stenography. Most of its members are proficient in both subjects and conduct competitive contests. Prizes are awarded to the winners of these activities. In addition, students who need extra help in these subjects are permitted to join.

Mrs. Lawler, the sponsor, has been a great help to the students in their work and weekly meetings and has suggested many unusual projects.

Through the careful planning of the committee, the members of the club enjoyed a trip to Hull House and several parties.

Talks concerning employment problems in the stenographic department and hints about how to conduct an interview were given. Through this club, the students have kept in contact with the Alumni.

∞ The French Club has enjoyed a very successful year. Its object is to promote a greater interest among the students studying this language. All the meetings are conducted in French. Betty Markin, as Program Chairman, instituted interesting, unusual programs for each meeting. The programs consisted of reading the minutes, playing games, puppet shows and singing in common. Before Christmas vacation, Ray Kruglich, president of last semester, instituted the idea of a French banquet to be held during Christmas week which was very much in favor. More than seventy students attended it and we had the pleasure of having Mme. and Mlle. Combet address the Club. This was a very successful event.

GREEK CLUB

President	Donald Moore
Vice-President	Charles Hall
Secretary	Angeline George
Treasurer	Lulu Darras
Adviser	Mrs. Reed

◇ The Greek Club is made up of Latin students and students of Greek parentage, who are interested in learning something about this enchanting language.

The alphabet is taught first, then something about the complicated Greek grammar. After words are learned, they are put into sentences. English words derived from the Greek are emphasized.

In addition, reports are made each week about the Greek mythology, the Greek language, and the lives and works of many immortals of ancient Greece.

As a consequence of the fine teaching of Mrs. Reed, the adviser, many members have become skilled in finding the precise translations of words and the formation of sentences.

A trip to the Oriental Institute was the main event of the semester.

~ The primary purpose of this year's work was to further the members' knowledge of Mediaeval and Renaissance Mathematics of the Great European powers. The interest in the subject caused many members to continue their research of the practical use of the mathematicians' work. The collection of their reports formed an interesting supplement to the exhibit shown in 221.

The club has now acquired this exhibit and a guide book which explains the display.

Claude Brenner had charge of the guide book while Kitty Ann Webster headed the committee for the exhibition. Guides under the chairmanship of Melvin Waskin were obtainable and excellent explanations were given.

Movies were an interesting feature of the club's activities and were introduced by Waldemar Erickson.

The club has enjoyed a profitable as well as an interesting year under Miss Christman's sponsorship.

∞ Home Economics is essential to every girl, because it deals with the duties and problems of both the business world and the house.

Under the capable sponsorship of Mrs. Walter, and the leadership of the officers and committees, the club spent one of its most enjoyable and profitable years.

During the regular club period on Thursday afternoon, definite projects were carried out. Many excursions were made, which proved intensely interesting as well as educational; they were to Krafts Cheese Company and Reid Murdock. Here the making of the products was explained to the club.

A speaker from Vera Jane Studio of Fashion and Photographic Modeling, spoke on Careers as Models. Mr. Taylor of the Western Actuarial Bureau, spoke against fire hazards in the home. The Chemistry Club was invited to this lecture.

The club is open to any student having at least two semesters of any subject in the Home Economics field.

~ Senn Biology Club, under Miss Tyler's supervision, endeavors to give interested students opportunities to use the laboratory facilities, to carry on experiments in nutrition and heredity on rats, and to care for the animals and plants grown in the laboratory.

The club went on a field trip to the Trailside Forest Preserve during the fall when members were making their nature collections. After identifying the specimens collected, the club had the most successful exhibit in its history.

Dr. Kirby of the Abbott laboratories gave us one lecture on Vitamins and another on Hay Fever. Motion pictures, talks by members, and quiz contests have added variety to the programs planned each week by very efficient committees. The girls of the club conducted a shamrock sale on St. Patrick's Day.

Because of the interest in bird studies, many early morning bird trips were taken during May.

Sponsor	Dr. Davidson

~ The Chemistry Club was re-organized in the spring semester under the sponsorship of Dr. Davidson. The group, meeting 3rd period Mondays, has a limited membership open only to those students who have taken or are taking chemistry.

The club aims to prepare for college chemistry, to work for scholarship examinations, and to supplement class work with optional and additional material in the meetings. Each week, under the direction of the program chairman, the members enthusiastically reported on individual topics and performed demonstration experiments. The material discussed and demonstrated included lectures on plastics, all types of photography, and chemistry in the home. Several trips through plants were taken during the semester. The subject matter was tied up in the discussions with the problem of the Chemist's part in National Defense.

Through the club the students became more interested in the field of chemistry in everyday life and were more aware of its importance.

~ America's Town Meeting of the Air was the inspiration for this local discussion group. After listening to the Thursday night broadcasts some of the members of the United States History classes felt a desire to continue the discussion. It did not seem feasible to meet Thursday nights so a group was organized to meet the third period on Fridays.

The special service furnished to members by America's Town Meeting of the Air was put into use. This contained up to date bibliographies, short biographies of the speakers, and a preview of the topic to be discussed as well as thought provoking questions.

The local group follows the general plan of the town meeting with the local moderator in charge. The members proudly wear their gold pins which declare for "tolerance, reason, and justice."

~ Ad Libbing is an art. For the purpose of achieving poise and dignity when appearing before an audience, a new club called the "Ad Libbers" has been organized.

The club was formed under the supervision of Miss Jones, with the aim to present plays, radio scripts and other original types of entertainment.

Membership to the Ad Libbers is limited to past or present students of Public Speaking Classes.

At the meetings members present spontaneous talks, pantomimes, give original skits and other types of speech work. At least half the meetings are devoted to entertainment of this type. The club has adopted as a slogan Education Through Entertainment. With this ideal in mind, the club hopes to contribute something worthwhile to its members.

~ This semester introduced a new Spanish club at Senn under the sponsorship of Miss LePera. The object of the club is to give Spanish students a chance to find out interesting things about the lives and customs of the people whose language is studied in regular Spanish classes. Meetings are held every third Wednesday, the eighth period. The club received such a hearty response that after the third meeting it was found necessary to limit the number of members. The name decided on for the club was "Los Locos."

Many interesting speakers, movies, conga and rhumba parties, and Spanish community singing were some of the unusual features of the semester. Betty Mahannah carries on the correspondence of the club. Miss LePera contributed greatly to the continued success of the club.

~ The Careers Club was formed in order to acquaint interested students with opportunities and advantages in a wide number of vocations. Tours have been planned and lectures on modeling and placement experiences have been heard. An excellent library is found in Miss Lesem's room where members may find worthwhile and up-to-date information on careers.

Committees to determine speakers and activities were assembled immediately and have functioned admirably.

Juniors and seniors who seek knowledge to determine future occupations and pupils of careers classes, comprise this group. Long division on Wednesday is the meeting time of this popular club and under the enthusiastic guidance of Miss Lesem, it intends to accomplish much.

Among the many interesting programs are extemporaneous speeches, panel discussions, joint meetings with other clubs, where common club problems are dealt with.

Miss Kracke, the present adviser, was the one to conceive the idea of this forum discussion group. She does not express any of her own views but tends to guide the group rather than dictate them in their opinions.

This club has risen to great fame in its one year of existence. Its officers have had no small part in its success.

~ The organization of the Scribblers' Club was started to encourage and assist students of the Creative Writing classes to continue their writing interest. This activity has benefited pupils in their English classes.

The meetings consisted of the reading of original manuscripts which are of many varieties including short stories, radio scripts, and poetry. Constructive criticisms are offered by the other members in discussions which follow the readings.

Members of the club have participated in many class assemblies where they offered many of their original works.

Miss Kracke held private consultations with the different students in order to give more definite experienced help. Her interest in this club has fostered its growth and prominence in the school.

☞ To promote sociability among senior girls and to render service to the school are the aims of the Senn Hostess Club.

Composed entirely of senior girls, the club is comparatively new, having been organized in October, 1939, under the leadership of Miss Cavanagh. It has been under her able guidance ever since.

The club formerly functioned under a committee system but this semester it was decided to elect officers to manage the organization.

In serving the school this year, the Hostesses acted as official escorts to representatives on College Day as well as to the North Central Association representatives. They are in continual assistance in Room 119.

Spring programs and plans were carried out under the able chairmanship of five committee heads. Maxine Kellough led the Administrative, Margaret Summers headed the Hostess, Thelma Herman the Tours, and Donna Oslund the Publicity.

Tours to Chicago and Northwestern Universities were taken by the club and visits to Chinatown and Hull House were made as a reward for service.

Members of the Hostess Club benefit greatly by these social contacts.

☞ Enlightening! Enjoyable! Educational!

When you visited the I R Club you may have found them listening intently or talking enthusiastically. Of course that depended on whether you were attending one of their gala parties or you were at one of their panel discussions of current world problems.

This club was introduced through the intervention of several I R Students who wished to continue the work of the I R classes. It has grown to be one of the most outstanding groups in the school and has acquired a very large membership.

The club has participated in the panels at the International House and have conversed with prominent professors and reporters on conditions in the Far East. A team of I R members was heard on the American School of the Air and was commended by its listeners.

Miss Hafemann, in sponsoring this group, has awakened the interest of many students in International Relations activities.

FOOTBALL

Despite the fact that the Bulldogs played better offensive and defensive ball than any other team in the section, they had to be content with a tie for second place. The progress of the team was slow but it came up to be one of the best in the city.

The line, through which only six points were scored, was the main reason for the successful season. Captain Jim Grob was the spark plug in the forward wall. Two big tackles gave the necessary weight to the line. Mal Pearson, at 204 pounds, and Bob Smart, at 195 pounds, were the bone crushers. Bill Tackeberry and Ed Weaver, both last year's regulars, formed two ends equally efficient in pass snaring and defensive ability. Marv Jacobs and Don Alvarez were the guards and Jim Grob was the pivot man.

The first league was against Sullivan and the Cats were downed easily 9 to 0. Taft, a new school in league play, proved to be a walk-over as the Green and White triumphed 42 to 0. This was the best offensive showing of the year.

It was Amundsen who finally stopped the Bulldogs advance. With every break against them the Green and White banner fell 8 to 6. The Roughriders from Roosevelt, who, at the beginning of the season were considered sure bets for the championship, fell to the Bulldog onslaught 13 to 0.

Lake View, playing one of their worst seasons, were taken to the cleaners 31 to 0, with the subs playing most of the game. Waller, always easy competition, were slaughtered by three touchdowns for the third straight year. The final score was 19 to 0. Overconfidence after these three games proved the Bulldogs downfall. At the

annual homecoming game Lane scored for the first time through the Senn line and won 6 to 0. However, the Indians did not show the class prevalent of the Senn team throughout the year.

The Varsity team finished its season with a smashing victory over the Alumni on a rain swept field. The final score was 12 to 6.

Six boys comprised Coach Dow's well balanced back-field. Dick Cashmore provided most of the kicking and passing, with good running on the side. Joe Micotto and Norm Harris have been rated as two of the best blocking backs in the city. Though their main duty was blocking, they picked up the necessary yardage for many first downs. Torsty Ahlbeck and Sam Micotto were small shifty runners who broke away for many Senn tallies. John Romano used his weight and ability for smashing line bucks.

At the annual football banquet Joe Micotto was awarded the Doctor Timmons Award for his fine blocking. Grob, Alvarez, and Cashmore received mention for their fine work when the All-Chicago Prep teams were picked. Altogether we can say the team had a successful season.

GYM TEAM

Three new gold shields, commemorating championships won in 1940 and 1941, adorn the trophy case in Senn Hall foyer. Only one other school, in past years, has won championships in this sport. That school is Lindblom, who for fifteen years dominated the high school gymnastic championships of the city. Coach Alfred E. Bergmann finally determined to end this school's long reign. With this thought in mind, the members of his class were instilled with the thought that Lindblom must fall.

Last year Lindblom was upset for the first time as Senn took the city title. Then to prove it was no mistake, Senn this year annexed the City and Central A. A. U. titles.

From the few hard working members who started in his first classes, Coach Bergman built the membership up to two classes containing forty-five advanced members and fifty in the beginners' class. The secret of their success is work and perseverance.

Places in the three divisions were taken by seventeen boys in winning the City title. In the championship division Beyer, Brennan, Stake, Lundien, and Cain garnered the necessary places, Beyer winning first place. Intermediates who played were Bouffard, Looper, Stewart Fox, James Wilkerson, and William Vretto. In the novice division Glen Jergueson took first place with Wilbert Erickson, Emanuel Alverdez, Jim Bridges, Frank Harris, William Robbins, and Wilbur Schram acquiring the other points necessary for victory.

The six boys responsible for winning the Central A. A. U. Championship were Beyer, Brennan, Lundien, Bouffard, Stake, and Looper. Other gymnasts were entered in both meets but everyone cannot win. Senn is proud of its achievements and in the future with the excellent leadership and hard working members, they will be obtaining many more shields to adorn the walls of Senn.

JUNIOR BASKETBALL

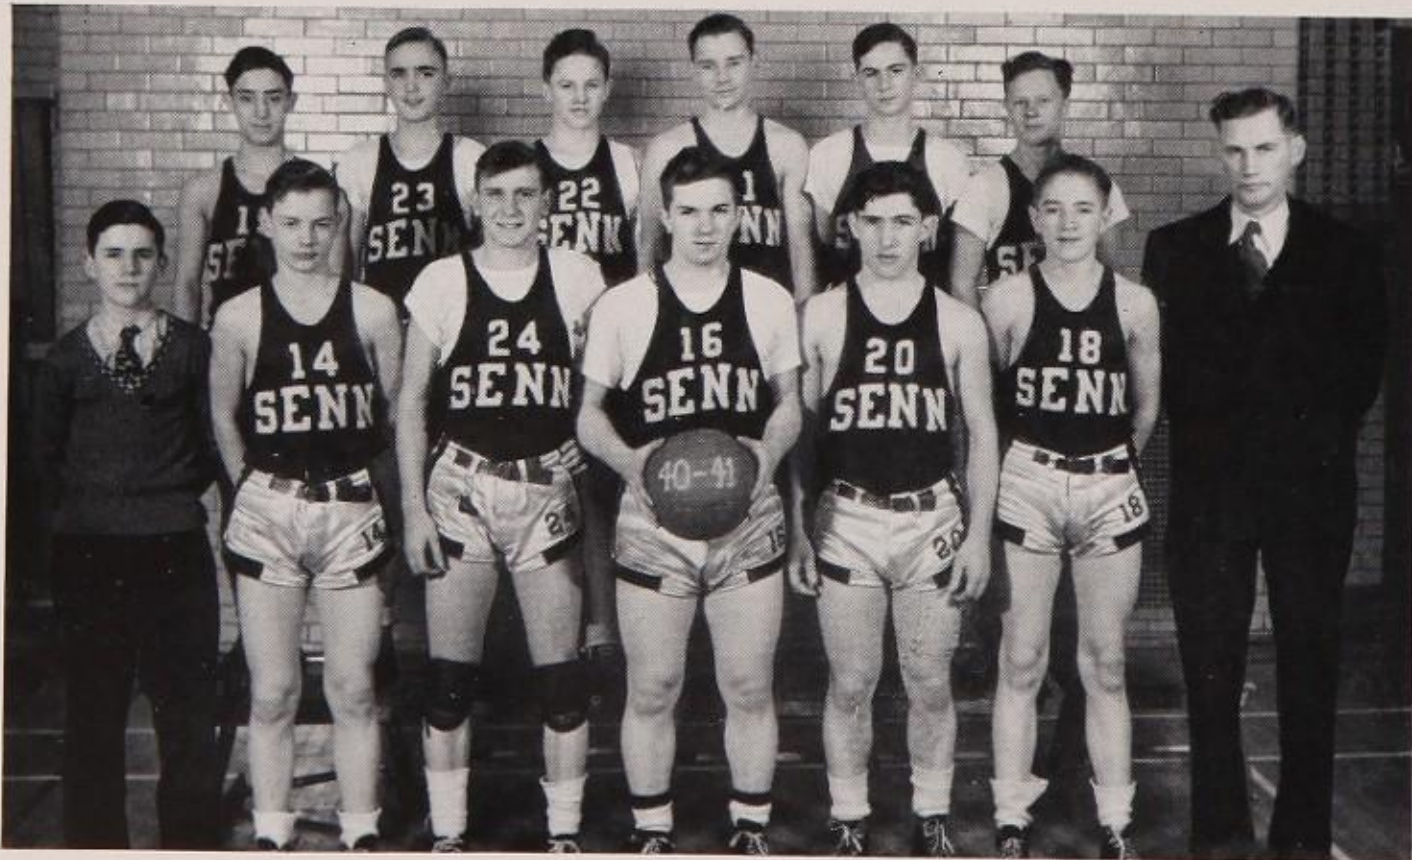

With the team composed chiefly of sophomores, Senn's junior basketeers did not fare as well as their big brothers. Not that they were handicapped by these youngsters; it was only the lack of necessary experience. Led by Captain Rene Couture, the team put on some excellent exhibitions of basketball. The other mainstays were Bob and Art Hower, Ernie Couture, and Freddy Oscarson, whose brother starred for the seniors.

Opening the season at Roosevelt, they were suddenly stymied by the Roughriders in the second half and fell to quick defeat, 49-20. Back at Senn they turned on the heat to knock off Steinmetz 36-31. Von Steuben, however, proved master of Senn in a 37-26 defeat. Two swift victories followed the latter setback when Taft and Sullivan fell 25-20 and 29-25 respectively. Led by Bob Hower the Bulldogs upset a favored Sullivan quintet. Both Schurz and Lake View took close decisions from the Sennites to the tune of 30-25 and 28-25, respectively. Running wild in the Amundsen game the fighting hoopsters sailed in easily 34-18; but the last two games proved dismal setbacks, Waller 49-26, and Lane 36-15.

In compiling four victories and six defeats, Senn's juniors showed strength for future success. Bob Hower, Ernie Couture, Freddy Oscarson and Carlson are sophomores, with Art Hower the only junior. The senior strength was in Rene Couture, Fred Alpert and Vern Meyer. All but those last mentioned will be back for another season with promise of a great team.

Major letters were awarded to Captain Rene Couture, one of the best players in the North Section and to Freddy Alpert, a brilliant little guard.

SENIOR BASKETBALL

~ The senior team completed their most successful season in many years. The Green and White quintet wound up the season in second place and reached the quarter finals in the city playoff tournament. Only Roosevelt and Amundsen were able to down the Bulldogs in league competition.

The initial game was with Roosevelt, with the Roughriders emerging the victors in a 42-40 overtime game. Prentice, Oscarson, Berns and Katz sparked the Bulldogs to their first win over Steinmetz, 36-34. The Green and White steamroller began to roll as Von Steuben fell 33-30 and Taft was downed 39-37.

The Sullivan game the following week marked the last game for Harry Oscarson, one of Senn's best ballplayers. Harry, playing his last game in a Senn uniform, scored 12 points to lead Senn to a 44-20 victory. Schurz proved little opposition for the Bulldogs as the steamroller tactics continued to the tune of a 44-20 score.

Corky Prentice and Ray Berns led Senn in a 31-16 victory over Lake View. Amundsen proved Senn's Waterloo as the Bulldogs met defeat 47-42. Big Ray Mueller's fifteen points sparked Senn's 45-26 victory over Waller.

Harry Katz, Art Leighton, Ray Berns and Ray Mueller led Senn in a victory over Lane, 37-23. This was the final league game of the season and gave the Bulldogs a final standing of eight wins and two loses.

Senn drew Foreman as its first opponent in the playoffs. The game proved to be the most exciting game of the year as the Bulldogs came from behind to win 31-30. In the last game of the season Marshall was the victor 30-23 in a game which was closer than the score indicates.

Seven boys carried the load during the season. Harry Katz led all scoring for the season with Corky Prentice a close second. Ray Mueller, Roger Olson, Fred Diedrich, Art Leighton, and Ray Berns were the other five. Harry Oscarson led the scoring until his graduation in February.

TRACK

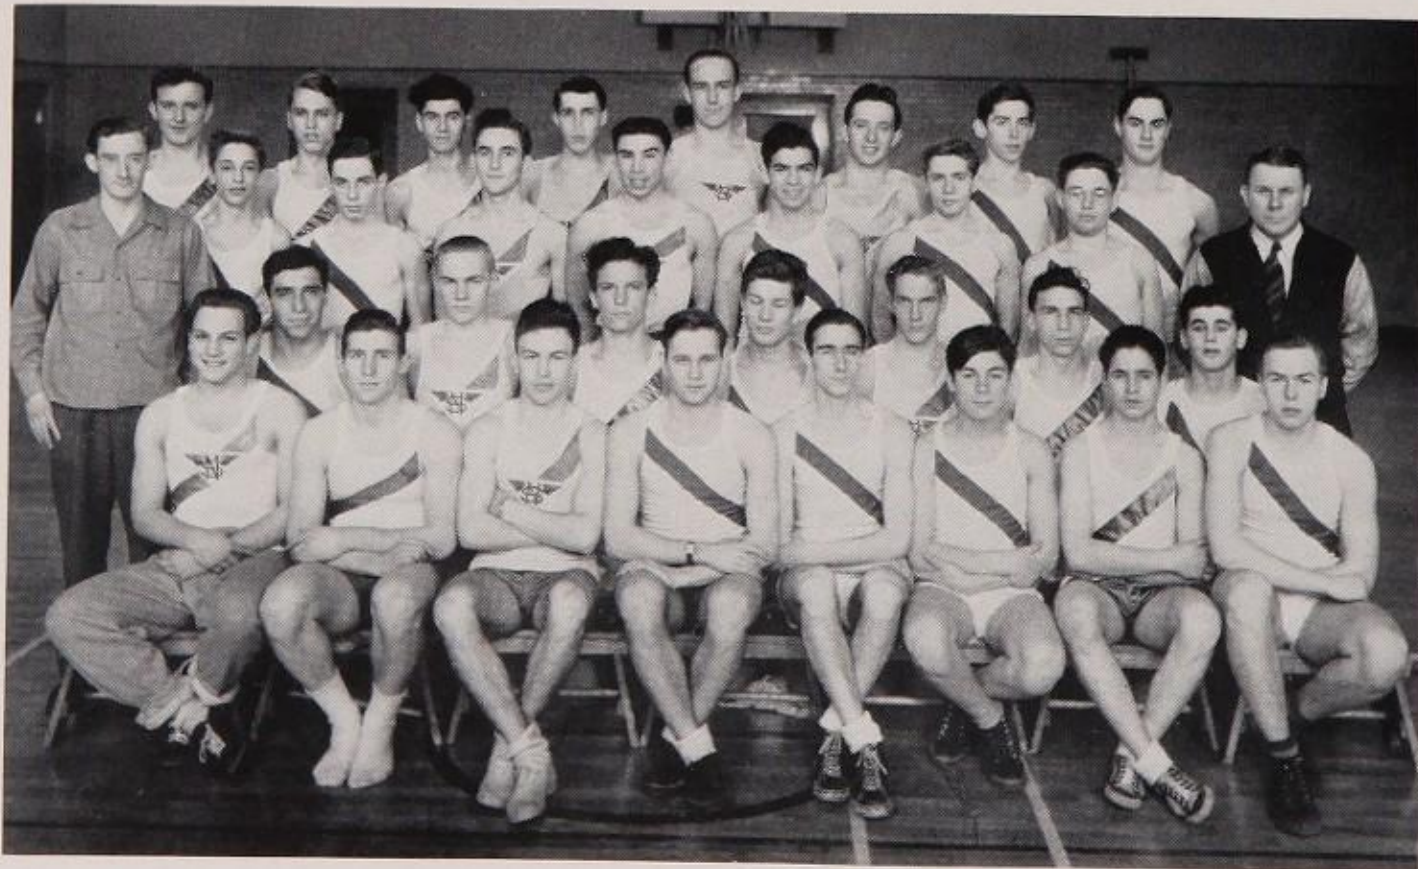

The all-important city meet saw Senn's senior trackmen move up one notch over last year as the Bulldogs collected 17 points for third place honors. Tilden Tech retained their indoor crown by scoring $32\frac{1}{2}$ points and Sullivan finished in second place only one point ahead of Senn. Bart Klingler starred for Senn as he placed second in both the high and low hurdles to capture eight points.

Dick Cashmore, who was bedridden for two days preceding the meet, lost his two year old shotput title by four inches. Sherman Ascher remained one of the city's top broad jumpers by taking third place. Senn's other two points were scored by veteran Wally Anderson who finished fourth in the 440 yard dash.

Throughout the season the seniors captured three out of five dual meets. Largely responsible for the successful season was the high scoring of Bart Klingler and Dan Sussman who led the season scoring. Bart finished the season with a total of 45 points while Dan came through with $41\frac{1}{2}$. Dick Cashmore, Wally Anderson, and Sherman Ascher also finished high in the scoring.

As in past years, the junior team fared better than their older colleagues by finishing up in second place. Sullivan won the title with 19 points while Senn scored 18. Creditable was the first place taken by Kanapa in the high jump. The relay team composed of Sam Micotto, Don Bahusky, Herb Garbrecht and Norm Kahn chalked up a new city record as they took first place in this event. Wyman placed second in the shotput and both Micotto and Garbrecht placed in the dashes.

ROW 1: Leninson, Cashmore, Bernstein, Rollinger, Tomaras, Lamar, Phillips, Garbrecht. ROW 2: Weinberg, Doerscher, Kanapa, O'Donnell, Anderson, Knapp, Cowin. ROW 3: Goodman, Clyman, Gleason, Leeb, Micotto, Sussman, Bahusky, Gasson, Coach Dow. ROW 4: Wyman, Yowell, Kahn, Klingler, Shirley, Ascher, Hews, Fargo.

ROW 1: Kilkenny, Micon, Gelb, Herter, Shipin, Meekan, Kaplow, Mayer, Coach Shaffner. ROW 2: Sullivan, Wilcox, Jacobs, Vidt, Cherbo, Gassen, Roman, Logan.

FENCING

~ The 1941 Fencing Team, although not able to capture the city crown, rounded out a very prosperous campaign, finishing third in the city meet behind Austin and Hyde Park respectively. This was the third consecutive city title won by the powerful Austin aggregation.

The backbone of the varsity squad consisted of five members, Stan Jacobs, Roy Herter, Bob Wiley, Humphrey Sullivan, and Sam Gelb. Next year's unit will be bolstered by Jack Sherbo, Donald Gassen, George Kaplow, Clifton Kilkenny, Bob Logan, Gunder Mayer, Willis Meehan, Arnold Micon, Victor Roman, Bernard Shipin and Jack Aidt. The first four boys named comprised the starting lineup.

The Green and White Captain Bloods fenced furiously through the entire city meet and, though we can't offer any excuses, with just a little better luck the Senn team could have raised themselves a notch higher in the final standings. It might be stated here that the Austin team will lose its entire starting lineup and that Hyde Park will relinquish three of their regular four-man team. Senn's team, however, will be kept intact, so beware of them next season. They are going to be plenty tough to beat.

In the individual competition the only Senn qualifier was Stan Jacobs and he fared very impressively, taking fourth in the final tabulations.

The Kraft Cup, which is the other outstanding tournament of the year, again found the Senn boys perched in third place with Austin and Hyde Park again capturing first and second spots respectively.

Under the dynamic and enthusiastic leadership of Coach Shaffner fencing became an integral part in the development of Senn Athletics and when you see our boys hanging up such impressive records, remember the man behind the helm who is making these achievements possible.

SWIMMING

At the city finals this year, Senn's swimming team was well balanced with Stan Schiller scoring 47 points for the senior crawl stroke, Jim Quall tabulating 35 in the back stroke, Judd Richter and Bauer together bringing 25 in the breast stroke, and John Miller, Ralph Spring, "Tex" Lundien, Jim Wilkenson and Denny contributing several points each to the cause.

The seniors' season record resulted in wins over Roosevelt, Von Steuben, and Steinmetz and Schurz. In the city, Juerganson was the solitary senior placer, winning his laurels in the diving event by taking a well-earned third.

The juniors placed with the help of Anthony Konstants, who tallied 40 points, scored by way of his back-stroke power; Dave Willens and Metcalfe, who were consistently free style placers, Caine and Bronell were practically the terror of the North Side until they engaged Sullivan. The latter four managed to form a relay team to compete in the city meet. Their ability was proven when they were awarded a fifth place record.

ROW 1: Balder, Caine, Paddor, Brownell, Denney, Juergensen, Konstant. ROW 2: Perl, Block, Beyer, Miller, Bauer, Quall, Schiller. ROW 3: Coach Bergmann, Metcalfe, Richter, Spring, Willens, Lundien.

ROW 1: Mgr. Flegel, Afremow, Pearlman, Teichert, Coach Clements, Ahlbeck, Kolko, Lucas. ROW 2: Bailey, Roeschlein, Wideman, Brown, Rosin, Schroeder, Block, Panos, Mgr. Pennington. ROW 3: Elsner, Pounian, Gabbert, Engert, Richman, Schlesinger, Alvarez, Cashmore.

BASEBALL

☞ The Senn Baseball Team, with three lettermen back from last year's outfit, opened its season against Amundsen, Lane and Von Steuben after rain halted the scheduled starts with Roosevelt and Waller.

The Green and White nine whipped the Amundsen Vikings 8 to 7 in the initial game. The Red and Gray were leading 7 to 3 going into the last inning. The local lads took notice of the situation and tied the score in their half. Ahlbeck, Panos, Abraham and Rosin combined their hits to push across three runs and even things up. In the eighth inning Lou Rosin won his own ball game by hitting in the winning run.

Lane was the Bulldog's next opponent. The former won the tilt 5 to 1 in a pitcher's duel with Lou Rosin holding up the Senn half on the mound. The Sennites were leading the Indians going into the sixth when Lane tallied three unearned runs. They added two more in the seventh. Each team collected five hits in the melee, while Senn made six costly errors.

Von Steuben was the host to Senn in the next game. The Gray and Red, fresh from an upset victory over Schurz, turned out to eat up the Bulldogs alive, but were surprised and overwhelmed by Senn 16 to 5. Senn was held to a 5 to 5 tie till the sixth when they scored 11 runs in the last two innings. Harv Block started on the mound and went three innings in great style and then he was replaced by Wideman, a southpaw, who proceeded to knock off Von Steuben, one-two-three.

The team was built around Torsten Ahlbeck at shortstop, Lou Rosin's pitching and Walter Schroeder in center field. Others that are seeing action this season are Dick Cashmore, Bob Teichert, and Bud Afremow, Seymour Kolko, Harvey Block, Wilson Abraham, Archie Panos, Corky Prentice, Dick Pearlman, Bob Wideman, George Lucas, Ralph Elsner, Don Alvarez and Jack Brown.

TENNIS

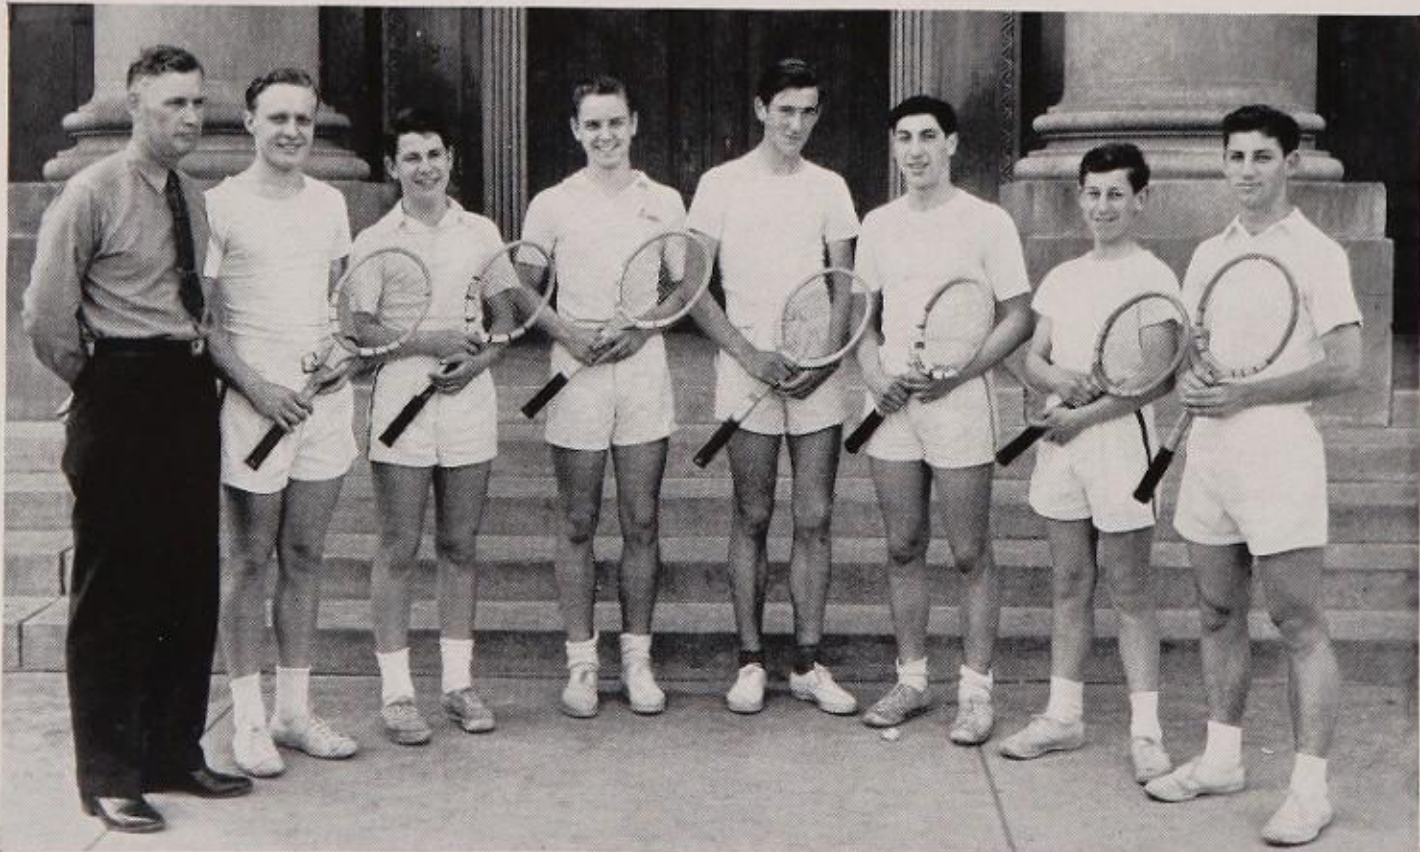

With last year's city and state championship team returning for the net wars practically intact, the Bulldogs are again expecting a prosperous season. Returning are National Indoor Junior singles and doubles champion, Jimmy Evert, National Indoor Boys' doubles champ, Jerry Evert, along with letterman Art Leighton, Jim Schoke, and Fred Diedrich.

The season has not commenced as yet but the boys have been practicing diligently for the past few months. Excellent physical condition may mean a National Inter-scholastic Title this year, which is Coach Leighton's goal.

Looking forward to a National Title is Jimmy Evert, who as a Senior, boasts two wins this year over Big Ten singles and doubles champ Seymour Greenberg. Jerry Evert is having his most successful season thus far and may surprise the tennis world. Art Leighton has always been good but greater experience will make him a serious threat. Jim Schoke and Fred Diedrich may compose an unbeatable doubles duet.

Here's looking forward to Senn's first National Tennis Title!

Coach Leighton, Diedrich, Rance, A. Leighton, Bauman, Schoke, Evert, J. Evert.

Coach Friker, Cohen, Adler, Dave Fargo, Edson, Dan Fargo.

GOLF

With the beginning of Senn's 1940 golf season things looked pretty bad as far as the golf team was concerned since not one man from the 1939 golf team returned to school.

Mr. Shaffner, who was acting coach at that time, has since turned over the instructor's job to Coach Friker, the newest addition to Senn's athletic department. An intramural tournament was held this semester in May with Werner Baum, Eugene Edson, Russell Bernstein, and Carl Shogran emerging victorious. Therefore, they were selected to represent Senn in all golf meets this season.

Senn's first meet was with Sullivan, to whom they lost by the score of 12 to 0. Bouncing back from this defeat, the Green and White divot diggers by the identical score of 12 to 0 defeated both Lake View and Von Steuben. Their next meets were with Taft and Roosevelt, to whom they lost by the score of 12 to 0 and 4 to 8.

~ An organization for girls who are proficient in swimming, is the Senn Nereids. This group has its meetings on Wednesday mornings during the division period in the Teachers' Lunchroom at which time all business matters are discussed and social meetings planned. Every Monday, the eighth period, and Friday, the fourth period, there are classes for advanced work in swimming. Through this work an opportunity is given to earn some of the five hundred points toward the swimming letter. Once a month, on the first Monday, there is a swimming period from three until four, for all Nereids who care to come.

Social activities during the past year included a luncheon and splash party at the Chicago Towers Club, a roller skating party at the armory, and a party after school in the Senn lunchroom.

Membership in the club has been greatly increased during the past year and many girls are eagerly working for points.

To become a member of the Nereids, the requirements are to be able to perform a good dive, to swim one hundred yards, fifty of which are swum in the crawl.

~ The SGAA is part of a city-wide high school girls' athletic association. The purpose of the club is to promote social activity and participation in athletic events. Members meet once a week for a business meeting, and once for athletic competition. Besides this they work independently to accumulate points toward the school letter. The first award is the class numerals, given for one semester in intramural activities. For five hundred points an SGAA emblem is given. The big "S" is awarded for 1,000 points earned in health, athletics, scholarship, and leadership. After the school letter is won, additional awards of chevrons and stars are given for additional activities.

This year enthusiasm of the Freshman girls has been inspiring to the entire group and the club hopes they will keep up their interest throughout their high school life.
